

DRONES AT REGATTA

All those who take part in the regatta as competitors as well as support crew or spectators agree to be overflown by a drone during the duration of the event, this includes your person and your property (boats).

As per N.O.R. all photos and footage can be used for promotional purposes to benefit the event.

DUE TO SAFETY REASONS SPECIAL NO FLY ZONES WILL APPLY FOR ALL PRIVATE DRONES OVER ALL RACE COURSES AND BEACH AREA DURING THE EVENT.

Authorized drones only will be allowed in these areas.

PRIVATE NO FLY ZONES

A map of the coastal area around Torbay and Browns Bay. Three purple circles are overlaid on the map, indicating drone no-fly zones. The first circle is labeled 'BEACH' and is located near the Torbay coastline. The second circle is labeled 'COURSE A' and is located in the water near the Torbay coastline. The third circle is labeled 'COURSE B' and is located in the water further out. A fourth, larger purple circle is labeled 'COURSE C' and is located in the water further out. The map shows various streets, including Glenvar Rd, County Rd, Killamee Ave, Deep Creek Rd, and others. It also shows locations like Torbay, Browns Bay, and Freyberg Park.
